KART CONNECT

WHY KART CONNECT

STOP GUESSING. START WINNING.

Every setup change, every session, every lap time and the conditions it was set in, all in one place. When a lap goes quick, you know exactly why, and you can get straight back to it.

1 APP FOR THE WHOLE TEAM

QR MODE · LIVE SETUP

SCAN IT. SET IT. SENT.

Give your mechanics a QR code for the race weekend. They scan it, log the setup for every session and submit it straight to the team manager, who can compare every setup to find the quickest.

ROUND 4 — LIVE SETUP

SETUP & SESSIONS

LOG IT ONCE. LEARN FROM IT FOREVER.

SETUP LOGGING

EVERY PART OF THE KART

Rear, engine, front end, wheels and tyres, chassis. Tap-to-select, so a session takes seconds.

YOUR PROFILE

SET IT UP ONCE

Add your karts, chassis, engines, carbs and exhausts. Rank them 1 to 5 and every new session fills itself in.

DASHBOARD SCANNER

SNAP YOUR DASH. DONE.

Take a photo of your logger dashboard after the session and Kart Connect scans in your post-session engine data: engine temp, RPM, speed and exhaust temp. No typing.

RACE WEEKENDS

PRACTICE TO FINAL
